Alert Service Bulletin - ROTAX / fuel hose

Alert Service Bulletin for Rotax ASB-912-061 UL
Mandatory and Urgent Part Replacement Before Next Flight

- **Replacement of the pressure side fuel hose at fuel pump part #893114 for ROTAX Type 912 (Series)**

Due to variations in the manufacturing of the fuel hose, rubber particles may become detached. These particles can interfere or suppress the fuel mixture in the carburetor. This disturbance in the fuel mixture may lead to rough engine operation, engine misfire and can cause an engine shut down...
