WM/Rotax Maintenance courses - 2014 Venues Needed

We are currently looking for suitable venues to host 2014 WM/Rotax Maintenance courses/seminars around the country.

The venue should include a classroom area with power available, suitable to accommodate seating for up to 8 persons for a course, plus access to a compressor and at least a couple of trikes (1 each 2-stroke and 4-stroke) for practical's.

If you have a larger group interested in a course, contact me for details to hold a seminar.

If you have a suitable venue: Please contact: Kev MacNally (HGFA WM Technical Officer) via email: kmacnally@bigpond.com with details.

First come, first served: We will be oversubscribed for this venue so if you are interested in this course, please contact me (even if you are on the waiting list) as the 1st eight people to contact me will be booked in, subject to confirmation of their availability for the dates chosen.
