

Weight Shift Microlight Accident At Gough's Bay On Lake Eildon, Victoria

Weight Shift Microlight accident at Gough's Bay on Lake Eildon, Victoria

It is with great sadness that we announce a passenger died in a Weight Shift Microlight accident at Gough's Bay on Lake Eildon in Victoria on 8 June 2019.

Our thoughts and condolences are with the deceased's family and the pilot at this sad time.

The Mansfield Police are currently investigating the event and the HGFA is

assisting the Police.

It is too early to determine the cause of the accident and until the investigation is complete, we cannot comment.

Upon completion of the Police investigation, the HGFA will assist the Coroner and continue our work to improve operational safety for all those engaged in our aviation pursuits.

- Brett Coupland, Chief Operations Officer, HGFA
